

RAYANA TRUMP MANSIONS

SAUDI ARABIA / RIYADH / AD DIR` IYAH

Completion Date:
07 / 2029

Development Area:
5,400 m²

Rayana Trump Mansions is an ultra-luxury residential development located in Wadi Safar, Diriyah, Riyadh. This exclusive collection of branded mansions is developed in collaboration with the Trump Organization, offering a prestigious lifestyle within one of Saudi Arabia's most iconic master-planned destinations.

The project features a limited number of expansive mansions with built-up areas ranging from approximately 1,033 sqm to over 5,600 sqm. Each residence is designed with exceptional attention to detail, combining elegant architecture, premium materials, and world-class finishes. The homes offer spacious layouts, private outdoor areas, and breathtaking views of the surrounding landscapes.

Situated within a gated golf community, residents enjoy access to high-end amenities, including a championship golf course, luxury hospitality services, and serene natural surroundings. The location also provides close proximity to Diriyah's cultural landmarks and future lifestyle destinations.

Expected to be completed by Q4 2029, Rayana Trump Mansions represents a rare opportunity for high-net-worth investors seeking exclusivity, long-term value, and a globally recognized branded residence.
